Contact No: 051-4542746, Ext-307

Student Affairs Office provides a variety of services to the students. It is responsible for all co-curricular and extra curricular activities within and outside the University campus. It provides students with opportunities to exploit their potential in various sports and socio cultural activities. The office also cultivates interest in literature, culture and arts.

Student Affairs Office also looks after the welfare of students. The office allots hostel accommodation and ensures that boarding students conform to University Rules. It recommends, processes and finalizes Financial Assistance to deserving students on need cum merit basis.

It arranges internship of students in different organizations and also manages collaboration of the University with Industries. From next year, Student Affairs Office will also be responsible for organizing University open house and career fairs.

Hostel
Currently, hostel facility, for a limited number of students, is available at the campus where only freshmen are accommodated. Well-ventilated/airy rooms, fully furnished with computer tables, lockers and allied facilities are available for students. Female students of the University live in the junior hostel along with the female faculty members. Plans are already in hand to construct a purpose built hostel for 500 students.

Transport
The University transport consisting of vans, coasters, and
buses provides pick and drop facility to students at nominal charges. More buses will be added to the fleet in near future to cater for the growing needs.

**Stadium**

Construction work on a stadium is already in hand. The stadium is surrounded by lush green hills of Margalla. When completed, it will provide good opportunities for various sports and other co-curricular activities.

**Swimming pool**

An indoor all-weather swimming pool is available for students. The pool is very well kept and a water purification plant recycles and purifies the water.

**Gymnasium**

Since a healthy body keeps a healthy mind, a gymnasium of high standard is also located in the Sports Complex. Students can work-out in this well equipped gymnasium in the evenings.

**Health-Care**

Students requiring medical attention are referred to the near-by HIT Hospital.

**Environments Society**

This Society supports the University administration in creation of conducive, clean and caring natural environments.

**Islamic and Spiritual Society**

This Society promotes awareness of Islamic teachings among students. It arranges seminars and workshops on contemporary issues and invites religious scholars of repute to deliver lectures.

**Social Welfare Society**

This Society promotes spirit of social service and volunteerism among students by involving them in practical social works like helping people in distress and holding blood donation camps etc. It also trains students in providing first aid and hold seminars on welfare activities.

**Sports Society**

This Society promotes sports activities amongst students, holds inter-department competitions including football, cricket, basketball, volleyball, table tennis, swimming, hockey, and badminton etc.

**Science Society**

This Society provides a forum to students to exchange
scientific knowledge. The society organizes quiz competition and students project exhibitions. The society also holds workshops/seminars related to latest developments in science and technology.

Financial Assistance

Every semester, University allocates millions of rupees for Financial Assistance. This assistance is provided on need-cum-merit basis. During the Financial Year 2009-2010, Rs. 5.0m have been distributed among 309 deserving students.

Students Counselling

Student Affairs Office actively addresses problems faced by the students. Efforts are made to resolve all personal or collective problems promptly.

Placement Office

The University is establishing a student placement office for graduating students. This service will guide/help students for seeking jobs according to their choice, aptitude and ability.

Job Fair

The University plans to hold job fairs for facilitating graduating students. Representatives from public and private industries/organizations will be invited to interview and interact with our graduating students.
